

THE INSANE PLANS OF THE WORLD ECONOMIC FORUM...

WORLD DOMINATION...

Is there really an
agenda for world
domination?

JOHANN HEYNECKE

**The insane plans of the World Economic Forum...
WORLD DOMINATION...
Is there really an agenda for world domination?...**

*Since the beginning of time, power hungry madmen have attempted to seize control over the entire world...
The desire to rule all of humanity is as old as humanity itself...
What is the plan to rule and control all of humans?...*

Saul Salinsky who died in 1972, wrote the following: How to create a social state... According to him there are 8 levels of control that must be obtained, to create a social state... Controlling the population, rule over all human... But what he wrote isn't new for his time and the time that we are living in now and does any of this sound like what's happening to South Africa?...

- 1... **Healthcare**... Controlling healthcare and you control the people...
- 2... **Poverty**... Increase the poverty... Increase poverty as high as possible; poor people are easier to control...
- 3... **Debt**... Increase the debt to unsustainable levels... Then taxes can be raised, creating more poverty...
- 4... **Gun control**... Remove the ability self-defense, that way a police state can be created...
- 5... **Welfare**... Taking control of every aspect of their lives, food, housing and income...
- 6... **Education**... Take control of what people read and listen to, take control what children learn in schools...
- 7... **Religion**... Remove the believe in God from schools, governments and society...
- 8... **Class warfare**... Divide the people in to the wealthy and the poor!...

Well I'm ticking off each of these points as all of them are happening in South Africa...

His thoughts aren't new and have been used over centuries by dictators, tyrannical rulers of nations... with one goal: to enslave humanity in total... Even killing people to reach their goal... The World Economic Forum, all the globalist elites... tyrannical governments as puppets of the globalists, goals are publicly discussed on their website, in their videos, books and conferences...

How absolutely insane this may sound, all over the world every one of these ideas is being implemented already... They distort society so much with their ideologies, like: boys are labeled girls... and vice versa, people (*us*) who will own nothing and be happy... Everyone must be locked up in prison (*smart*) cities, wilderness areas must be closed off (*No walks with your dog in nature*) ...

Nobody is (*or will be*) allowed to think for themselves, everybody must eat fake (*laboratory grown*) food and the elderly must kill themselves (*government assisted suicide*) ... The Canadian government already passed law that makes it legal for you to get government assistance to kill yourself / meaning they will pay for you to commit suicide...

One book specific that outline everything as to what they are planning and busy implementing, is:

Covid 19: The Great Reset...

(I've got this book in electronic format, for those of you who are interested)...

Other books by Klaus Swab... The Fourth Industrial Revolution (*Does this not sound familiar – Ramaphosa ranting about the fourth industrial revolution...*) and Shaping the Future of the Fourth Industrial Revolution...

THIS IS NOT SOME WEIRD CONSPIRACY THEORY, IT IS AN INSANE REALITY, IN FULL SWING WORLDWIDE...

All these developments are part of the United Nations Agenda 21, The WEF Great Reset... WHO Agenda 2030... The, Build it Better ideology... The New World Order, the New Normal, the Fourth Industrial Revolution... Most of these goals are described in the **Global Goals for Sustainable Development**, supposedly to create a "better world" ...

All that these globalists elite and corrupt governments need to do (*and they did it*), is tell the world that a terrible danger is threatening everybody and most people will immediately surrender all their rights and freedoms, in order to feel "safe" ...

Here follows a list of some of the goals of the World Economic Forum...

- **Censorship tries to hide these posts from you... and Internet Governance...**

Criminal censorship is trying to hide the truth from you... This is to prevent the revealing of evidence for world domination agenda... Who are behind the agenda for world domination... Illusions are blown up as a balloon, in order to hide very powerful realities...

We are seeing it happening in our everyday life... people being silenced for speaking out, labeling them as conspiracy theorist and spreading misinformation... You are threatened, new laws are / or tried to be implemented, to gag you... Preventing you to speak out, why?...

The globalists and corrupt governments don't want the masses to hear the truth and be awakened...

The lie become the truth... and the truth the lie...

We see this already on a massive scale, with the unprecedented censorship... Govern the internet (*All the platforms – google, etc... Social media platforms – whatsapp / facebook... etc.*) ... so that nothing but the prescribed narrative will be available to the world... Delete all the millions of posts, videos and websites that criticize the mainstream narrative...

- **Vaccinated Society...**

Make ongoing (*the covid 19 vaccine where just the start*) injections with highly toxic, potentially lethal (*The people that got the covid 19 vaccine don't want to believe that the vaccine is killing people all over the world... Daily there are people of all ages who just drop dead... Show the people the evidence of this and they still make it off as misinformation and a conspiracy theory*) ...

DNA altering, nanotech injecting, undisclosed and untested substances to partake in society, through vaccine passports (*Haven't we seen this happening all around the world?... Yes, there will be people who will say but the vaccine passport is withdrawn, no more needed... Don't believe that the vaccine passport is something of the pass, it's still there in the pipeline*)... social point systems and digital ID's...

Banking, internet, working, shopping, gathering, etc. should exclusively be available to those that are up to date with the umpteenth booster injection... Most countries population are vaccinated between 85% to 100% with 4 vaccine shots and South Africa made available 5 shots for people over 60 and 4 shots for people younger than 50... Saying and telling the citizens of South Africa that it's safe and effective...

Ignoring what is really happening around the world, over the last 3 years - loads of report and data is proving the obvious, daily...

- According to Harvard's University, these reported events only account for between 1% and 10% of actual cases... Meaning that these numbers can be multiplied by anything between 10 and 100 to get the accurate number... a Whistle-blower of the WHO made similar statement regarding the accuracy of the amount, meaning that if we multiply that 3 287 621 by 10, there are 32 876 210 cases of adverse reactions... Multiply by 100 means there are 328 762 100 cases of adverse reactions... There are countries who doesn't keep accurate or no records at all of adverse reactions, South Africa is one that don't keep record...
- Treatments that work for the cure of covid 19... Ivermectin (a Japanese scientist discover and develop it for human use, not for animals... 40 years ago and ever since it's being curing many different illness) has caused a total of 379 deaths in 25 years and 1639 people have died from Hydroxychloroquine in the same period of 25 years...
- There have been more deaths from the covid 19 vaccines in the last 10 months, than the total amount of deaths from ALL vaccines in the last 30 years...
- Human clinical trials done for the covid 19 "vaccine" will only be concluded in 2023, and that's why it's an experimental drug... The question is where the animal trials is?...

- a Horrifying study published in the New England Journal of Medicine reveals when pregnant woman is given covid 19 “vaccines” during their 1st or 2nd trimesters, they suffer an 82% spontaneous abortion rate... Killing 4 out of 5 unborn babies...
- In August 2021, Dr. Kobi Haviv of Israel told channel 13 news: 95% of seriously ill patients are vaccinated & fully vaccinated people account for 85 – 90% of hospitalizations... Israel is one of the countries in the world that got the most of their population vaccinated... 84% of the Israeli population is fully vaccinated, but the vaccine is so ineffective that they are already on their 4th booster shot...

Israel, Island of Gibraltar (Their population is 100% fully vaccinated, Christmas 2021 & all gatherings where cancelled), Seychelles, Singapore, Iceland and many other highly “vaccinated” countries around the world, they all are experiencing surges of covid 19 infections, adverse reactions, hospitalizations and deaths... Proving that the “vaccine” is not effective in preventing the spread of the virus, hospitalizations and deaths...

- In Wales, 80% of the covid 19 hospitalization are in the fully “vaccinated” people... In England 70% of the Delta variant deaths were in the “vaccinated” people between 1 Feb. 2021 and 12 Sept. 2021... Male teen’s deaths in England have increased by 63% since they started getting the jab...
- The Dept. of Defence in the USA has stated that 60% of covid 19 hospitalizations in individuals 65 and older are fully “vaccinated”... The first black Sect. of State and former US army general Powell died because of covid 19 and his family confirmed that he where fully vaccinated...
- 60% of Iceland’s 3rd and following covid 19 waves was in the “vaccinated” people...
- In Australia between 1 January 2021 and 15 July 2021 there was a total of 2 covid 19 deaths... and 377 deaths because of the “vaccine”, also 39 077 adverse reactions from the “vaccine”...
- Scientist at Oxford University did a study which proved that “vaccinated” individuals carry an average of 251 times the viral load of covid 19 viruses in their nostrils compare to the unvaccinated...
- The late inventor of the PCR tests, Dr. Kary Mullis stated so himself that the PCR test result are meaningless in proving the infection. Dr Fauci (himself said he won’t get the vaccine, so did the CEO of Pfizer... why not?)... also stated that the PCR test are worthless... and the faulty PCR tests have been recalled with effect from the end of 2021...
- We do have available medicine that can be used to treat ourselves against covid 19, like ivermectin, hydroxychloroquine, zinc, vitamin c & d and quercetin... The Uttarakhand government of India started distributing ivermectin tablets to their citizens a few weeks ago... Since then, covid 19 cases dropped by 98% and covid 19 fatalities dropped by 99%.
- Almost 100 000 healthcare workers in New York have refused the “vaccine” and chose to be unemployed, by getting fired... Thousands of flights in the USA have been cancelled due to pilots fighting against the “vaccine” mandates... Several pilots died because of the jab, the latest pilot where of Delta Airlines... Resulting in that an emergency landing where done to get the passengers safely on the ground...
- Over 10 000’s of doctors and scientists from all over the world have signed the Rome Declaration which states that these global mandates and restrictions are crimes against humanity and the fact alternative medication for covid 19 has been denied to us and it hasn’t even been recommended to us... There are very highly accredited and well known doctors and scientists that states, these “vaccines” are NOT safe and effective...
 - Currently the Nuremburg 2 trial is in progress, holding people like bill gates, anthony faucci, ect... accountable for crimes against humanity... *Personally I feel that all governments and business (In*

south Africa & around the world) owners forcing any person to get this jab, must be held accountable for crimes against humanity in court...

"a Newly published Thai study moreover indicated that almost a third of the vaccinated youth enrolled exhibited cardiovascular manifestations, and a yet unpublished Swiss study suggests that as many as 3% of everyone vaccinated manifest heart muscle damage...

And as stated above, we also see signals pertaining to fertility disturbances connected to the Covid vaccines. An Israeli study shows impaired motility and sperm concentrations after both Pfizer and Moderna vaccination... The safety committee of the European Medicines Agency has also affirmed that the vaccines may cause menstrual disturbances, and Pfizer's own studies indicate that the lipid nanoparticles of the mRNA-vaccines cluster in the reproductive organs"... Covid Vaccines Are "Obviously Dangerous" and Should Be Halted Immediately, Say Senior Swedish Doctors – The Daily Sceptic...

<https://dailysceptic.org/2023/01/13/covid-vaccines-are-obviously-dangerous-and-should-be-halted-immediately-say-senior-swedish-doctors/>

Then there is sudden death, people just suddenly drop dead everywhere, walking down the street... Teachers standing in front of the class... Sport stars at practice on the sports fields and drivers just dying behind the wheel of his / her vehicle!... Something that never just happened... and never heard of, all of the sudden it become the norm!... Sudden death... is now becoming a pandemic...

Even the WHO is covering up and blaming these sudden deaths on natural sweeteners... Really a product that the WHO (World Health Organization) labeled healthier and safer than sugar is now the cause of so many sudden deaths!...

Maybe if there are names of people who died a sudden death, people will relate and wake up... Will realize what danger the covid 19 vaccine is to society... But also what secondary danger there is to this sudden death what we see and experience all of the sudden...

Unexpected deaths in aviation!... This list of fatalities is not to be understood as an exhaustive list as only a part of such cases are reported and published... Unexpected deaths among crew members used to be extremely rare, but not anymore, these deaths are just for November & December 2022...

- *Air Seychelles – 3/11.2022 : Captain, Nicole Ch.-L. (45 years old)...*
- *American Eagle – 19/11/2022 : Captain, Patrick F. (54 years old)...*
 - *Gulf Air – 22/11/2022 : Flight Attendant, Yasser S...*
- *Condor Airlines – 4/12/2022 : Flight Attendant, Michelle M (31 years old)...*
- *Edelweiss Airlines – 12/12/2022 : 1st Officer, Maurizio L. (27 years old)...*
- *Air Albania – 21/12/2022 : Flight Attendant, Greta D. (24 years old)...*

Only those who want to identify the causes are able to prevent further incidents... Now I'm asking the question, what can become the secondary problem because of the vaccine in the aviation industry?... We know that the majority of airlines around the world made the covid 19 vaccine mandatory, meaning that they forced their personnel to get the jab... and if any person refused to take it, they lost their job...

Well something to think about... What if the pilot of a big jumbo jet airplane dies a sudden death, causing that airplane plummeting to earth with all the passengers onboard?...

In Canada there are a rare occurrence under the doctor's happening as well, normally deaths under doctor's where seen under the elderly... Rarely under the younger doctors (from late 20's to early 50-year-old), but it's rapidly changing... Up to 95 doctor's died and their deaths are because of the covid 19 vaccine...

Brain hemorrhage... Stroke... blood clots... Heart attacks... all of these showed an increase after the rollout of the vaccine... Even Discovery Health, here in South Africa reported an 200% increase of patients with heart diseases... I'm wondering what is the reason for this huge increase of patients with heart diseases?...

There are many, many more examples of the adverse reaction and deaths because of the covid jab...

- **Aerosolized "vaccines" being developed that can be sprayed on human cities...**

When globalists want to kill off masses of humans living in high population density cities, they can easily carpet (*chemtrails*) bomb the city with aerosolized "vaccines" that are designed to be inhaled... These can be sprayed from low altitude aircraft...

- **Social Points System...**

Base society on a social point system, citizens who are behaving perfectly... are rewarded with points... Those who step out of line are punished with lower scores... Only with the required minimum number of points can you partake in society... Full behavioral control of the entire world population...
Something that are already happening in China and the idea is to export it to every other nation worldwide...

- **Isolation of Humanity...**

Limit human interaction as much as possible, by telling everyone to do everything online... Work, shop, school, gather, worship... etc... Goal: Isolate humanity behind their devices where they are targeted 24/7 by the propaganda of the rulers...

Instead of shopping in stores or going to the bank... do everything online... *(One major bank in australia already closed all of its banks on the west coast)*... everything will be delivered to your door...

Human interaction must be limited by all means... WHY?...

- **No Wealth or No Ownership...**

Being rich is a privilege for the elites, the masses / peasants must be kept poor and dependent... So install a universal welfare and don't allow anyone to gather wealth...

Nobody may own anything... The goal is to ensure full dependency on the rulers, everything must be rented from the elites: homes, cars, etc... even clothes... So seize all property *(And property in this contexts doesn't mean just the house you stay in, or your farm... It is everything you own... cash in the bank, your retirement funds... Your car / s... etc... etc...)* from all the citizens of the world...

Their slogan: You will own nothing and be happy...

- **No Small Businesses...**

Decrease the number of small businesses through pandemic and climate lockdowns and transfer wealth to mega corporations that are not required to cease operations... Push all of humanity to purchase all products and services from the elite's mega corporations, like amazon, takealot...

- **No Human Rights...**

Just do as you are told, to "help one another"...

Remove all personal rights from humanity under the guise of "we are in this together" and "for the greater good"...

Create hostility towards people standing up for their rights, by labeling them "selfish"... Create a herd mentality, where independently thinking individuals are singled out and attacked...

I'm afraid of my friends and family who have no problem falling in line with a system of control...

Because one day they'll have no problem turning on me for not doing so...

- **Control Finances...**

Monitor what people do with their money and limit their abilities to spend... Easy – install a one world digital currency *(a Central banking digital currency – and be a sure, it's not something like bitcoin... etc...)* that are controlled by those in power... Couple banking to vaccination status, so finances are exclusively accessible for those who are up to date with the umpteenth booster...

- **Sexual Confusion...**

Make unnatural sexual relationships the norm and healthy families "weird"... Normalize pedophilia, promote every form of sexual perversion, as something we "must except"... This called "inclusion"... Standing up for purity, holiness, healthy relationships and happy families is labeled "hate speech"...

How to end the natural family?... By pushing the LGTBQA+ agenda / narrative...

Prison Cities...

The smart cities of the future, but it's nothing but a prison city... Lock the majority of humanity up in smart cities, where every breath is monitored and every thought, feeling and dream is recorded... Nobody can exit the city without required vaccination status and / or social points...

- **Virtual Reality and Total Surveillance...**

Promote the virtual realm as being "better" than enjoying the real world... replace reality with digital illusions...

Facebook's parent company Meta has released metaverse, as an alternative for real life... People can even have virtual children and ditch them, when they are tired of taking care of them... The metaverse will offer relief to the suffering slaves inside the mega cities...

Nobody will be allowed to go anywhere, do anything or speak any word without the rulers agreeing to it... By filling the world with billions of surveillance cameras, drones, drone bugs and satellites with facial recognition that will monitor every move of every soul on earth 24/7... All in the name of "public safety"...

- **Fake Food and No Elderly...**

Destroy the existing food supply, replace healthy grass-fed beef by synthetic lab-grown meat, genetically engineered insects and heavily sprayed plant protein... so that humanity will become dependent on this "new" food... Also get rid of the elderly... Introduce early euthanasia when people no longer support the economy... Encourage all elderly to commit suicide, to make room for the next generation... So they will not become a "burden to the global economy / society"...

Globalists see humanity as cattle (*or sheeple*) to be exploited for as long as needed, then culled like cattle herds when they are no longer useful... According to them the age of humans is coming to an end on planet earth and globalists have activated a multi-faceted plan to "cleanse" the planet of all humans...

- **Artificial Intelligence...**

Yuval Harari, spokesperson of the United Nations and World Economic Forum, says humanity will completely be ruled by A.I... Replace the majority of jobs with artificial intelligence... Doctors, lawyers, drivers, teachers, preachers, etc... can easily be replaced by A.I... Humanity must be removed from as many tasks as possible and made dependent entirely on artificial intelligence, which will become the dictator of all life on earth...

- **This is how evil always operates: *It always hides behind a mask of good...***

The world organizations like the: United Nations, World Economic Forum and World Health Organization all claim to save humanity... While they destroy mankind as much as they can...

Governments around the world claim to serve the people, while they suppress and enslave them... The pharmaceutical industry says they heal people, while they are the main cause of chronic health problems... Vaccines claim to save lives, while they cause chronic genocides... Mainstream media says they inform the public, while they deceive everyone... Schools and Universities say they make kids smarter, while in fact they prevent them from being creative independent thinkers...

Museums and libraries claim to be treasure troves of knowledge, while the true discoveries and knowledge are all kept from humanity in cellars that stretch for miles underground... Law enforcement says they protect good citizens, while in reality they are often the extension of the cruel claws of criminals...

- **The engineered take down of food, water and energy infrastructure...**

It can't be help but to notice that Jackson, Mississippi's water infrastructure collapse – leaving 180 000 Americans with no water... This was allowed to happen by withholding maintenance from the water treatment system...

The water supplies are being cut off via geoengineering, causing global droughts and widespread crop failure... Plus, governments all over the world are paying farmers more for their crop, as to what it is worth... just to destroy it... If they don't destroy it, the governments just spray it with chemicals to die...

Not to be outdone in the category of controlled demolition of infrastructure... California declared a ban on the sale of gasoline engine cars and a few days later declared that electrical vehicles shouldn't be charged from 4pm – 9pm due to the risk of a power grid failure followed by rolling blackouts... Thus, saying the people aren't allowed to buy petrol vehicles and you aren't allowed to charge your electrical vehicle...

Just something of interesting for all of you ranting about getting rid of the internal combusting engine... and switch to electrical vehicles as they are a zero emissions vehicle, because that will eliminate Co2 pollution... The plan is to go all electric by 2035, is it practical to do it?... There is just one answer on this question... NO!... Because there is no such a thing as a zero emissions vehicle, not even an electrical vehicle... Because what you do with an electrical vehicle is, you don't eliminate the emissions... You export them somewhere else...

What happens, is: you must dig up about 250 00kg of materials to make a single 500kg battery... It takes 100 to 300 barrels of oil to manufacture a battery that can hold 1 barrel of oil, equivalent of energy... Just manufacturing the

battery can have a carbon debt rate, ranging from 10 tons to 40 tons of Co2... The plans that are in place to increase the use of batteries will require an increase in production of minerals, like Lithium... Cobalt... Zinc... Demand for those minerals will increase between 400% and 4 000%... There isn't enough mining in the world to make enough batteries for that many people for their cars...

Globalists are terrorizing humanity with artificial scarcity of food, energy, fertilizer and more... Understand this great cosmic truth: The universe operates on an ecosystem of automatic abundance, where mass is abundant (*and free*) and mass can be converted into energy at nearly zero cost... Automatic abundance is intelligently designed into the very law of physics...

Energy in turn, can be used to create fuels and fertilizer, two inputs necessary for affordable food... In addition, the universe provides the sun which brings us heat, energy and photosynthesis for, all for free...

But governments create artificial scarcity to enslave and punish humankind to create suffering, fear and control... The food supply is being decimated by cutting off fertilizer supplies and causing diesel fuel prices to go sky high while also attacking the supply chain...

Hundreds of meat and food manufacturing plant all over the world burned to the ground in the last 2 years...

- **Weather manipulation... (Cloud seeding)...**

The simultaneous droughts, floods and freak weather events we are observing right now across the globe are not natural weather events... They are "engineered" weapons being deployed against humanity under the cover of blaming "climate changes" ...

- **Closing / shutdown of multiple businesses, banks and manufactures of array of goods...**

Some shutdowns / closing cite sky high energy prices, other say there's not enough demand as the global economy implodes (*by design*)... Some shutdowns / closing of business are happening under "force majeure" declarations...

Meaning of force majeure: Unforeseeable circumstances that prevent someone from fulfilling a contract / agreement... Sasol and Capitec bank, both send out notification for public attention of force majeure in 2022...

All of these examples are just the tip of the iceberg of the inhumane plans of the world economic forum... Their plans for a new world order, domination of mankind... All of their books, websites and conferences reveal much more, along the same lines...

YES, THERE ARE REALLY AN AGENDA FOR A NEW WORLD ORDER...

We are living and experiencing it currently and if humanity doesn't open their eyes and rise up, this will all be implemented to the full in the coming years up to 2030...

None of what's being written here, you will never hear or read about in the mainstream media, abroad and in South Africa... But we the conspiracy theorists will make sure that it's being heard and read... We will expose the lies that's being given as the truth to the people... So shouldn't conspiracy theorists be called the experts, since we haven't been wrong about anything these last three years?...

15 January 2023...

Johann Heynecke... Cell. No: +2771 414 0699...

Please everyone that receive and read this, don't keep it for yourself... spread it far and wide, let more people see and read, what's going on in the world... but not just in the world, in South Africa as well... Reading through this, pull it through to what's happening currently in our country... Connect the dots and see the bigger picture... and then understand why we have these problems that we have in South Africa...

Something that are of big concern for us the citizens of South Africa... and the corrupt anc government push it through last year...

Expropriation of land without compensation...

At this moment what are happening in specific the Netherlands – Netherlands land grab... Government's proposal to seize up to 600 farms within a year, by force if necessary!... WHY?...

WAKE UP CITIZENS OF SOUTH AFRICA, WAKE UP...
